

The Indian Knowledge System (IKS) refers to the vast body of knowledge and practices developed and preserved in India over millennia, encompassing diverse fields like philosophy, science, mathematics, engineering, medicine, and more. It emphasizes a holistic approach, integrating theoretical knowledge with practical applications and a focus on sustainable living. IKS is seen as a valuable resource for addressing contemporary challenges and promoting a more balanced and conscious way of life.

Certificates will be given upon completion of the course

**PG & RESEARCH
