

Event : AI Revolution: Shaping the Future of Technology

Date : 20/07/2026

Organised by : Department of Computer Applications

Academic Year : 2026 – 2027

Venue : Indoor Stadium, Auxilium College

Report :

Students from all three years of the BCA programme enthusiastically participated by delivering presentations on various topics related to Artificial Intelligence, Machine Learning, Cyber Security, Cloud Computing, Data Science, Internet of Things (IoT), Blockchain, and other emerging technologies. The participants demonstrated excellent research skills, confidence, and innovative thinking while presenting their ideas before the judges and audience.

The event was evaluated based on **content quality, technical knowledge, presentation skills, confidence, communication, creativity, and the ability to answer questions**. The judges appreciated the students for their preparation and encouraged them to continue developing their technical expertise.

PRIZE WINNERS

1. First Prize : Rachel – II BCA
2. Second Prize : Divya Dharshini – III BCA
3. Third Prize : Vinodhini – I BCA
