Date : 19/08/2026
Organised by : Department of History
Academic Year : 2026 – 2027

Report :

The Historica Club has conducted an online quiz on current affairs for the students on 19-08-2026. The main objective of the quiz was to test and improve the students' awareness of recent national and international events. The students of I, II, III BA History students actively participated in the quiz. The questions covered various areas such as politics, sports, science and technology, awards, important personalities, and world affairs. The quiz was conducted through an online platform, making it convenient for students to participate. The participants found the quiz both informative and enjoyable. It encouraged students to follow newspapers and reliable news sources regularly and helped them develop a better understanding of current events. The programme concluded with the announcement of the winners and words of appreciation for all the participants. Overall, the online current affairs quiz was a successful and enriching activity organised by the Historica Club.
