

Event : MongoDB Academic Summit 2025

Date : 16 December 2025

Organized By : ICT Academy

Academic Year : 2025 - 2026

Report :

The MongoDB Academic Summit 2025, organized by ICT Academy in collaboration with MongoDB, was conducted on 16 December 2025 at the Radisson Blu Hotel & Suites GRT, Chennai. The summit served as an exclusive platform for academic leaders to gain insights into emerging trends, technological innovations, and opportunities in the areas of data management, modern technologies, and academia–industry collaboration.

Dr. (Sr.) A. Amala Valarmathy, Vice Principal, and Ms. M. Anita Madona, Assistant Professor of Computer Applications, Auxilium College, Vellore, attended the summit. Their participation contributed significantly to enhancing the institution’s understanding of current industry practices and identifying potential collaborative opportunities that support academic excellence and industry relevance.

During the summit, Auxilium College, Vellore, was honoured with the **MongoDB Skill-a-thon Recognition** Award, and Ms. M. Anita Madona received the “Rising Contributor Award.” The awards were presented by Dr. M. Jayaprakasan, IAS, Chief Executive Officer of the Naan Mudhalvan Scheme, Tamil Nadu Skill Development Corporation, in appreciation of the college’s dedicated coordination and guidance in enabling more than 200 students to successfully complete the MongoDB Skill-a-thon program.
