Date : 25/08/2026
Organised by : Cyber Security Club
Academic Year : 2026 – 2027
Theme : Awareness on Online Gaming
Report :

To promote safe online practices among students, the Cyber Security Club organized a JAM-Just A Minute talk Competition on the theme “**Awareness on Online Gaming.**” The event aimed to educate students about the risks associated with excessive and unsafe online gaming, including gaming addiction, cyberbullying, online scams, privacy threats, and unauthorized access to personal information. It also encouraged students to adopt healthy and responsible gaming habits. A total of **20** students from various classes enthusiastically participated in the competition. Each participant was given an opportunity to speak for one minute on topics related to online gaming, its benefits and risks, cyber safety, responsible gaming, and the importance of maintaining a healthy balance between gaming and daily activities. The competition was judged by **M. Harinisri, Assistant Professor in the Department of Computer Applications (Shift-I)**, who appreciated for their confidence, creativity, and ability to express their ideas effectively within the given time. The event emphasized the importance of responsible gaming, digital awareness, and staying safe from online threats.
