Book Release – Eco-Nurturers of Tamil Nadu

05.06.2025

Event: Book Release – Eco-Nurturers of Tamil Nadu

Date: 05.06.2025

Participants: 50

On the occasion of World Environment Day, celebrated on 5th June 2025, the Enviro Club of Auxilium College (Autonomous), Vellore, proudly released a thought-provoking and inspiring book titled “Eco-Nurturers of Tamil Nadu.” This remarkable publication is a compilation of insightful environmental writings and success stories contributed by the talented students of the college. The book has been meticulously edited by Dr. Isabella Rosaline S, Associate Professor and Head (Retried), Department of Botany.

The event was graced by the esteemed presence of the Principal, Dr. Sr. Arokia Jayaceli A. and the Secretary, Rev. Dr.Sr.Mary Josephine Rani A., Mr.Dinesh Saravanan, Environmentalist, Velloe who officially unveiled the book. The book **Eco-Nurturers of Tamil Nadu** aims to highlight the efforts of young environmentalists, promote sustainable practices, and celebrate the ecological richness of the state. The event concluded with a pledge to continue eco-friendly initiatives on campus and in the community.

ஆக்சீலியம் கல்லூரியில் சுற்றுச்சூழல் ஆர்வலர்களின் வாழ்க்கை தொகுப்பு புத்தகம் வெளியீடு

வேலூர், ஜூன்.7-

உலக சுற்றுச்சூழல் தினத்தையொட்டி, காட்பாடி ஆக்சீலியம் கல்லூரியில் சுற்றுச்சூழல், இயற்கையை பாதுகாக்கும் வேலூரை சேர்ந்த சமூக ஆர்வலர் தினேஷ் சரவணன் உள்பட தமிழகத்தை சேர்ந்த 20 சுற்றுச்சூழல் ஆர்வலர்களின் வாழ்க்கை குறிப்பை 'தமிழ்நாட்டின் சுற்றுச்சூழல் வளர்ப்பாளர்கள்' எனும் தலைப்பில் புத்தகம் வெளியிடும் நிகழ்ச்சி நடைபெற்றது. கல்லூரி செயலாளர் மேரி ஜோஸ்பின் ராணி, கல்லூரி முதல்வர் ஆரோக்கிய ஜெயசீலி ஆகியோர் தலைமை தாங்கி புத்தகத்தை வெளியிட்டனர். அதனை சமூக ஆர்வலர் தினேஷ் சரவணன் பெற்றுக்கொண்டார்.

இந்த புத்தகத்தில் பசுமை புரட்சியை ஏற்படுத்திய எம்.எஸ்.சுவாமி நாதன், நம்மாழ்வார் மற்றும் 12 வயது சிறுவன் பிரசித்தி உள்பட 20 பேர் சுற்றுச்சூழலை பாதுகாக்க செய்த மற்றும் தற்போது செய்து வரும் நிகழ்வுகள், அவர்களின் வாழ்க்கை தொகுப்பு இடம் பெற்றுள்ளன. நிகழ்ச்சியில் கல்லூரி பேராசிரியர் இசபெல்லா மற்றும் பலர் கலந்து கொண்டனர்.

Seedball Awareness and Distribution Activity

29.07.2025

Event: Seedball Awareness and Distribution Activity

Date: 29.07.2025

Participants: 100

The Enviro Club organized an awareness programme on Seedballs on 29th July 2025, with the active participation of 100 students. The session began with a briefing on the importance of seedballs as an eco-friendly and cost-effective method for afforestation, soil enrichment, and biodiversity conservation. Students were sensitized about their role in environmental restoration and the significance of simple actions in combating deforestation and climate change. As part of the activity, seedballs prepared by the club were distributed to the students. Each student was encouraged to disperse the seedballs along their way home, thereby contributing directly to greening their surroundings. This hands-on initiative aimed to instill a sense of environmental responsibility and to promote the practice of “Each One, Plant One” in a sustainable manner. The activity concluded with students enthusiastically taking a pledge to nurture nature by supporting reforestation efforts. The event not only created awareness but also motivated the youth to be proactive agents of change in protecting the Earth.

Attended Seminar at VIT

Event: Attended Seminar at VIT

Date: 22.08.2025

Participants: 10

Ten students of the Enviro Club, accompanied by **Dr. Anitha T., Assistant Professor and Head, Department of Botany**, participated in a seminar on “**Agritourism**” organized by VIT in collaboration with **Arivuthottam Agritourism** on 22nd August 2025. The seminar highlighted the growing significance of agritourism as a sustainable model that integrates agriculture with tourism, providing economic opportunities for farmers while promoting environmental conservation and rural development. The session enriched students with valuable insights into eco-friendly practices, community participation, and innovative approaches in agritourism, motivating them to explore its potential in environmental education and sustainable livelihoods.

Poster Presentation Competition on the theme “Break Free from Plastic”

Event: Poster Presentation Competition on the theme “Break Free from Plastic”

Date: 02.09.2025

Participants: 55 students

The Enviro Club (shift I) organized a Poster Presentation Competition on the theme “Break Free from Plastic” on 2nd September 2024 at 2.00 p.m. in the Botany Lab. The event aimed to create awareness about the harmful effects of plastic on the environment and to inspire students to think creatively about eco-friendly alternatives. A total of 55 students from various departments participated enthusiastically, showcasing their artistic skills and innovative ideas through thought-provoking posters. Each poster carried a powerful message, emphasizing the urgent need to reduce plastic consumption, refuse single-use plastics, and adopt sustainable practices in everyday life. The participants used vibrant colors, catchy slogans, and impactful illustrations to communicate their ideas effectively. The competition was judged by Dr. Abi Beulah, Assistant Professor of Biochemistry, who appreciated the creativity, originality, and clarity of messages conveyed by the students. She also highlighted the importance of student-driven initiatives in promoting environmental sustainability on campus.

The prize winners were as follows:

First Prize – Saniya Zahera R. (III B.Sc Zoology)

Second Prize – Atchaya S. (II B.Sc Chemistry)

Third Prize – Neha Lucy Kujur (II B.Sc Zoology)

The competition not only encouraged students to express their concern for the environment but also motivated them to become active change-makers in spreading the message of a plastic-free society.

Campus Clean Drive-09.09.2025

Event: Campus Clean Drive

Date: 09.09.2025

Participants: 70

The Enviro Club of Auxilium College organized a **Campus Clean Drive** on 9th September 2025 with the objective of promoting cleanliness, reducing plastic waste, and creating awareness about the importance of maintaining a green and healthy environment within the campus. The initiative was carried out under the able guidance of the Enviro Club coordinators, **Dr. Anitha T., Assistant Professor and Head, Department of Botany**, and **Dr. Lakshmi, Assistant Professor of Chemistry**.

A total of **70 enthusiastic students** actively participated in the drive, showcasing their dedication and responsibility towards environmental conservation. The activity began in the afternoon with a short briefing on the hazards of plastic and the importance of waste segregation. Students were then divided into groups and assigned different zones of the campus for cleaning.

The clean-up operation covered key areas of the college, including the **canteen, library, maths block, student corner, auditorium, and computer block**. Students collected plastic covers, wrappers, and paper waste, which were later sorted for proper disposal. Their collective effort not only enhanced the cleanliness of the surroundings but also helped in spreading the message of “Refuse, Reduce, Reuse, and Recycle.” The Campus Clean Drive served as a practical lesson in environmental responsibility and teamwork, instilling a sense of pride among participants for contributing to the vision of a clean and green campus.

Essay Writing Competition on the theme
“Towards Zero Plastic: Reimagining Our College Culture”

Event: Essay Writing Competition

Date: 12.09.2025

Participants: 50

The Enviro Club (Shift I) organized an Essay Writing Competition on the theme “Towards Zero Plastic: Reimagining Our College Culture” on 12th September 2025, from 2.00 p.m. to 3.00 p.m. at the Botany Lab, Science Block. The competition aimed to create awareness among students about the harmful impact of plastic on the environment and to encourage them to envision a plastic-free and eco-friendly campus culture. The event was coordinated by Dr. Anitha T., Assistant Professor and Head, Department of Botany, and Dr. Lakshmi R., Assistant Professor of Chemistry, along with Rithika K. (III B.Sc Zoology), Student Secretary of the Enviro Club.

50 Students enthusiastically participated, presenting their views and solutions through well-structured essays. They highlighted the urgent need to reduce single-use plastics, adopt eco-friendly alternatives, and promote sustainable practices such as cloth bags, recycling, and composting within the campus. The competition provided a platform for students to express their innovative ideas and commitment towards building a green and clean environment.

The Prize Winners

First Prize- Harini S - III B.Sc Zoology

Second Prize- Nirmala K - II B.Sc Chemistry

Third Prize-Shared by Mizba A - III B.Sc Zoology and Archana R - II B.Sc Zoology

The event successfully reinforced the importance of student participation in achieving a plastic-free campus culture. It also inspired young minds to become responsible ambassadors of environmental conservation, thereby contributing to the larger mission of sustainability.

Flash Mob on the theme “Awareness on Promoting Eco-Friendly Cloth Bags”

16.09.2025

Event: Flash Mob on the theme “Awareness on Promoting Eco-Friendly Cloth Bags”

Date: 16.09.2025

Participants: 70 students

The Enviro Club organized an energetic and impactful Flash Mob on the theme “Awareness on Promoting Eco-Friendly Cloth Bags” on **16th September 2025** in front of the LED board on campus. The event was designed to spread awareness about the urgent need to reduce plastic usage and to encourage the adoption of cloth bags as a sustainable alternative.

A total of **70 students** from different departments actively participated in the flash mob. The sudden, synchronized performance attracted the attention of students and faculty, creating an atmosphere of enthusiasm and curiosity. Through creative dance movements, symbolic actions, and catchy slogans, the participants highlighted the harmful effects of single-use plastics and promoted the simple, eco-friendly habit of carrying cloth bags.

The flash mob not only entertained but also educated the audience, leaving a powerful message about the importance of individual responsibility in environmental protection. The vibrant display served as a reminder that collective efforts, even small lifestyle changes like switching to cloth bags, can significantly contribute to building a greener and healthier future. The event concluded with a strong appeal to everyone present to *“Say No to Plastic and Say Yes to Cloth Bags.”* The Flash Mob was well-received and succeeded in creating an impactful awareness campaign, reaffirming the Enviro Club’s mission to inspire sustainable practices within the college community.

Rally on “Plastic Free Future”

Event: Rally on “Plastic Free Future”

Date: 18.09.2025

Participants: 250 students

The Enviro Club (Shift I and II) of Auxilium College (Autonomous), Vellore in association with the Tamil Nadu Pollution Control Board, organized a rally on “Plastic-Free Future” On 18th September 2025, starting at 10:30 a.m. The rally aimed to raise awareness about the harmful effects of plastic, promote sustainable alternatives such as cloth bags, and encourage environmental responsibility among students and the local community.

The event began with welcoming remarks and inspiring words from Mr. R. Venkatesan, M.E., District Environmental Engineer, Tamil Nadu Pollution Control Board, Vellore, and Dr. C. Muralidhar, District Coordinator, National Green Corps, Vellore, along with the Principal, Dr. Sr. Arokia Jayaceli. A, who officially flagged off the rally. Students from both shifts actively participated, carrying placards and raising slogans emphasizing the importance of reducing plastic use.

The rally proceeded from Auxilium College to college rountana, during which participants distributed cloth bags to the public, encouraging eco-friendly practices and sustainable habits. The event successfully engaged both students and the community in promoting environmental awareness and reinforced the significance of sustainable development goals.

The session proved to be highly informative and impactful. It created a meaningful sense of responsibility among participants toward protecting the environment. The College expresses its sincere gratitude to the Tamil Nadu Pollution Control Board, all participants, and the organizing team for their support in making the event a success. The program was organized by the club incharge Dr. Anitha. T, Head & Assistant Professor of Botany, Dr. Lakshmi. R, Assistant Professor of Chemistry, Dr. Lavanya. B, Assistant Professor of Biochemistry, Dr. Carlin Premakumari. C, Assistant Professor of Biochemistry.

Eco-Friendly Diwali: Spreading Light, Not Smoke

Event: Eco-Friendly Diwali: Spreading Light, Not Smoke

Date: 16.10.2025

Participants: 250 students

The Enviro Club of Auxilium College organized an awareness-driven event titled “Eco-Friendly Diwali: Spreading Light, Not Smoke” on 16.10.2025 with the aim of promoting a pollution-free and sustainable celebration of Diwali. The event emphasized the importance of celebrating festivals responsibly by reducing air and noise pollution caused by firecrackers. A total of 250 students of the Enviro Club actively participated in the event. As a symbolic gesture to encourage eco-friendly practices, the students collectively donated 250 candles to the Sr. Principal. The act highlighted the message of choosing light over smoke and sustainability over pollution. The initiative helped sensitize students to environmental responsibility and reinforced the values of green living and conscious celebration. The event was well appreciated and successfully conveyed the message of celebrating Diwali in harmony with nature.

Walkathon- Ecological Care

Event: Walkathon- Ecological Care

Date: 29.11.2025

Participants: 5000 students

A Walkathon for ecological care titled “GREEN STRIDE” was organized by the Enviro Club, Auxilium College, Katpadi, in collaboration with the INM FMA Past Pupil Federation on 29.11.2025 to create awareness about environmental care, nature conservation, earth preservation, and sustainable living. The event witnessed the enthusiastic participation of nearly 5000 students, along with faculty members and volunteers.

The programme commenced at 6.00 a.m. from Auxilium College, Katpadi, and concluded at St. Joseph’s Home, Katpadi. The walkathon was actively coordinated by Dr. Anitha T., Assistant Professor and Head, Department of Botany, and Dr. Lakshmi R., Assistant Professor, Department of Chemistry, Enviro Club Coordinators of Shift I, and Dr. Lavanya B., Assistant Professor, Department of Biochemistry, Enviro Club Coordinator of Shift II, along with student volunteers.

The walkathon was formally flagged off by the Secretary, Dr. Sr. Mary Josephine Rani A, and the Principal, Dr. Sr. Arokia Jayaceli A, addressed the gathering, highlighting the significance of environmental sustainability and the urgent need for collective action to protect nature.

Students marched with placards and banners displaying impactful slogans such as “Save Trees,” “Save Life,” “Go Green,” and “Say No to Plastic.” Through this public outreach, participants effectively spread awareness on conserving natural resources, reducing pollution, and safeguarding biodiversity.

The event concluded successfully with a vote of thanks by the organizing committee, appreciating the support and active involvement of all participants and organizers. The

walkathon instilled a strong sense of environmental responsibility among students and reinforced the vital role of individuals in ensuring ecological care and sustainable living.

Event: Quiz Competition- Green Future Quizathon

Date : 19.12.2025

Participants: 50

The Enviro Club organized a Quiz Competition titled “Green Future Quizathon” on 19th December 2025 at 2.00 p.m. in the Botany Laboratory. The programme was conducted in online mode using Google Form, facilitating effective participation and evaluation.

The objective of the competition was to create awareness on environmental protection, sustainability, biodiversity conservation, climate change, and pollution control among students. A total of 50 students participated actively, demonstrating enthusiasm and environmental consciousness.

The quiz consisted of multiple-choice questions designed to assess students’ knowledge and understanding of current environmental issues and sustainable practices. The activity enhanced students’ environmental literacy, critical thinking, and digital engagement skills.

The programme was successfully conducted and received positive feedback from participants. The event contributed towards nurturing a sense of environmental responsibility and sustainable thinking among the student community.

Release of Environmental Policy 2.0 – Pongal Celebration

Event: Release of Environmental Policy 2.0 – Pongal Celebration

Date : 13.01.2026

Participants: 2500

The Environmental Policy 2.0 was formally released by the Secretary Dr.Sr. Mary Josephine Rani and the Principal of the College Dr.Sr.Arokia Jayaceli A. , along with the Enviro Club Coordinator, Dr. Anitha T., Assistant Professor and Head, Department of Botany on 13.01.2026. The presence of the college management, faculty members, and students added importance to the event, highlighting collective responsibility towards environmental protection.

The revised policy reflects the evolving environmental vision of the institution, incorporating updated strategies and action plans aligned with sustainable development goals. It emphasizes eco-friendly practices such as plastic reduction, waste segregation, energy conservation, water management, biodiversity protection, and active student participation in green initiatives. The policy also encourages environmental literacy, community outreach, and the integration of sustainability into academic and co-curricular activities.

Releasing the policy during the Pongal celebration carried special significance, as Pongal symbolizes gratitude to nature and sustainable agricultural practices. The event served as a reminder that traditional values and modern environmental stewardship can go hand in hand.

The Secretary and Principal addressed the gathering, stressing the importance of institutional policies in shaping environmentally responsible citizens. Dr. Anitha T. elaborated on the key features of Environmental Policy 2.0 and encouraged students to actively follow and promote its principles.

The release of Environmental Policy 2.0 reaffirmed the Enviro Club's mission to nurture environmental consciousness and inspired the college community to work collectively towards a greener, cleaner, and more sustainable campus.

Release of Environmental Policy 2.0 – Pongal Celebration

AUXILIUM COLLEGE (AUTONOMOUS)
VELLORE – 632 006

ENVIRONMENTAL POLICY
Version 2.0
2025 onwards

MOTTO
“Enrich Nature, Enhance Environment”

VISION
To protect, preserve and restore the environment by integrating sustainable practices into teaching, administration and campus life, thereby nurturing environmentally responsible citizens.

OBJECTIVES

- Uphold the intrinsic value of Mother Nature
- Create environmental awareness among all stakeholders
- Promote eco-friendly and sustainable practices
- Motivate youth to conserve and protect the environment
- Encourage collaboration for sustainable development

PRINCIPLES & PRACTICES

Fundamental Principles

- ✓ Care for Our Common Home Earth (Laudato Si)
- ✓ Sustainable living and nature-based practices
- ✓ Conservation of natural resources
- ✓ Protection of biodiversity
- ✓ Ethics of Enough

PRACTICAL FRAMEWORK
Reduce – Reuse – Recycle – Replace

- Reduce unnecessary consumption
- Reuse materials wherever possible
- Recycle waste responsibly
- Replace harmful products with eco-friendly alternatives

ENVIRONMENTAL INITIATIVES

- Rainwater harvesting
- LED lighting & energy conservation
- Solar panels & renewable energy
- Vermicomposting
- Green landscaping & medicinal garden
- QR code-based tree identification
- Waste segregation & e-waste recycling
- Aligned with UN Sustainable Development Goals (SDGs)

RESPONSIBILITY & FUTURE

Responsibility
The successful implementation of the Environmental Policy is a shared responsibility of Management • Principal • Faculty • Students • Staff • Visitors

FUTURE ROADMAP

- Expansion of renewable energy usage
- Zero-waste campus initiative
- Green mobility practices
- Sustainability-based curriculum integration
- Periodic green and environmental audits

Attended an Awareness Programme on “Wetland Conservation in Vellore”

Event: Awareness Programme

Date : 11.03.2026

Participants: 20

Twenty students from the Enviro Club of Auxilium College (Autonomous), Vellore, actively participated in an awareness programme on “Wetland Conservation in Vellore District” held at the Collectorate on 11th March 2026. The programme aimed to highlight the importance of wetlands, their role in maintaining ecological balance, and the urgent need for their conservation.

The session was addressed by the Vellore District Collector, who served as the chief speaker. The Collector emphasized the significance of wetlands in sustaining biodiversity, groundwater recharge, and climate regulation, while also drawing attention to the threats posed by pollution and encroachment. The address encouraged active community involvement, especially from students, in conservation initiatives.

The students were accompanied by Dr. Anitha T. and Dr. Lavanya, who guided and motivated them throughout the programme. The event was highly informative and inspired the students to take proactive steps in environmental protection, strengthening their commitment to preserving wetlands in Vellore district.
